Welcome

Welcome to the Bonita Museum & Cultural Center  
The Museum was established as a 1987 Bonitafest event and was originally located in a storefront along Bonita Road. In 1992, through the generosity of the Bonita-Sunnyside Fire Protection District, the Museum moved into the old fire house located at 4035 Bonita Road. In 2006, thanks to the County of San Diego and the Bonita community, the Museum moved to it's permanent location at 4355 Bonita Road, Bonita.
